DECISION AND ENTRY FINDING DEFENDANT IN VIOLATION OF HIS  
SUPERVISED RELEASE, BUT DEFERRING ACTION UNTIL  
RESOLUTION OF PENDING STATE COURT CRIMINAL MATTER;  
AMENDED PETITION REQUESTED

---

---

On February 7, 2012, the Defendant appeared in open Court and admitted to allegation three set forth against him in a Petition that was filed on December 21, 2011, ordering Defendant to show cause why his supervised release, a status that began October 14, 2008, should not be revoked. He was found in violation of his supervised release at that time.

Upon the agreement of counsel and the Defendant, disposition of this matter is deferred, pending resolution of the state court criminal indictment presently pending against this Defendant. This Court has requested the Probation Officer

both to notify the Court when the state court matter is concluded and to file an Amended Petition to reflect the then current facts of the violation.
